ENHANCED CALLING FEATURES

FIXED NUMBER CALL FORWARDING \$1.00 / MONTH

Forwards incoming calls to a number that has been predetermined by the subscriber. Enables quick activation/deactivation without entering the destination number each time.

- To enable, press * 7 2 and wait for a confirmation tone
- To disable, press * 7 3

SIMRING \$5.00 / MONTH

Allows subscriber to specify a list of numbers which are rung (in addition to subscriber's own number) whenever subscriber's line is called. Any of the numbers that are rung can answer the call.

- Manage using MyPortal
- To enable SimRing, press * 3 6 1
- To disable SimRing, press * 3 6 2

FIND ME FOLLOW ME \$5.00 / MONTH

Allows subscriber to specify a list of numbers that are rung whenever subscriber's line is called, and an order for those numbers. Each number is rung in order (and several numbers can be rung simultaneously) until one of them is answered, or the list is exhausted.

- Manage using MyPortal
- To enable Find Me Follow Me, press * 3 7 1
- To disable Find Me Follow Me, press * 3 7 2

DO NOT DISTURB \$1.00 / MONTH

Allows subscriber to block their line temporarily to prevent incoming calls.

- To enable Do Not Disturb, press * 7 8
- To disable Do Not Disturb, press * 7 9

CALL HOLD \$1.00 / MONTH

Allows subscriber to put a call on hold in order to dial another number, and then switch between the two calls.

- Hit flash-hook, dial * 5 2, then dial other number

REMINDER CALL \$1.00 / MONTH

Allows subscriber to schedule reminder calls, either once or at regular intervals (for example daily or weekly).

**LONG DISTANCE MANDATORY
VALIDATED ACCOUNT CODES** \$5.00 / MONTH

Allows long distance calls to require that an account code is entered and validated against configured permitted values.

PRIVACY DEFENDER \$2.00 / MONTH

Allows subscriber to screen and reject unwanted calls from telemarketers.
